

The Lakshya Foundation

“You must be the change you want to see in the world.”

-Gandhi

What is The Lakshya Foundation?

- It is a registered trust with the aim of facilitating education and research through financial aid.
- Our goal is to advance ideas and practices beneficial to students, institutions and society at large.

With an umpteen number of trusts registered in India, why is Lakshya needed?

The same fundamentals, applied to NITW.

Lakshya will work as a launch pad for bigger ideas, inside and outside NITW.

What is Project-I ?

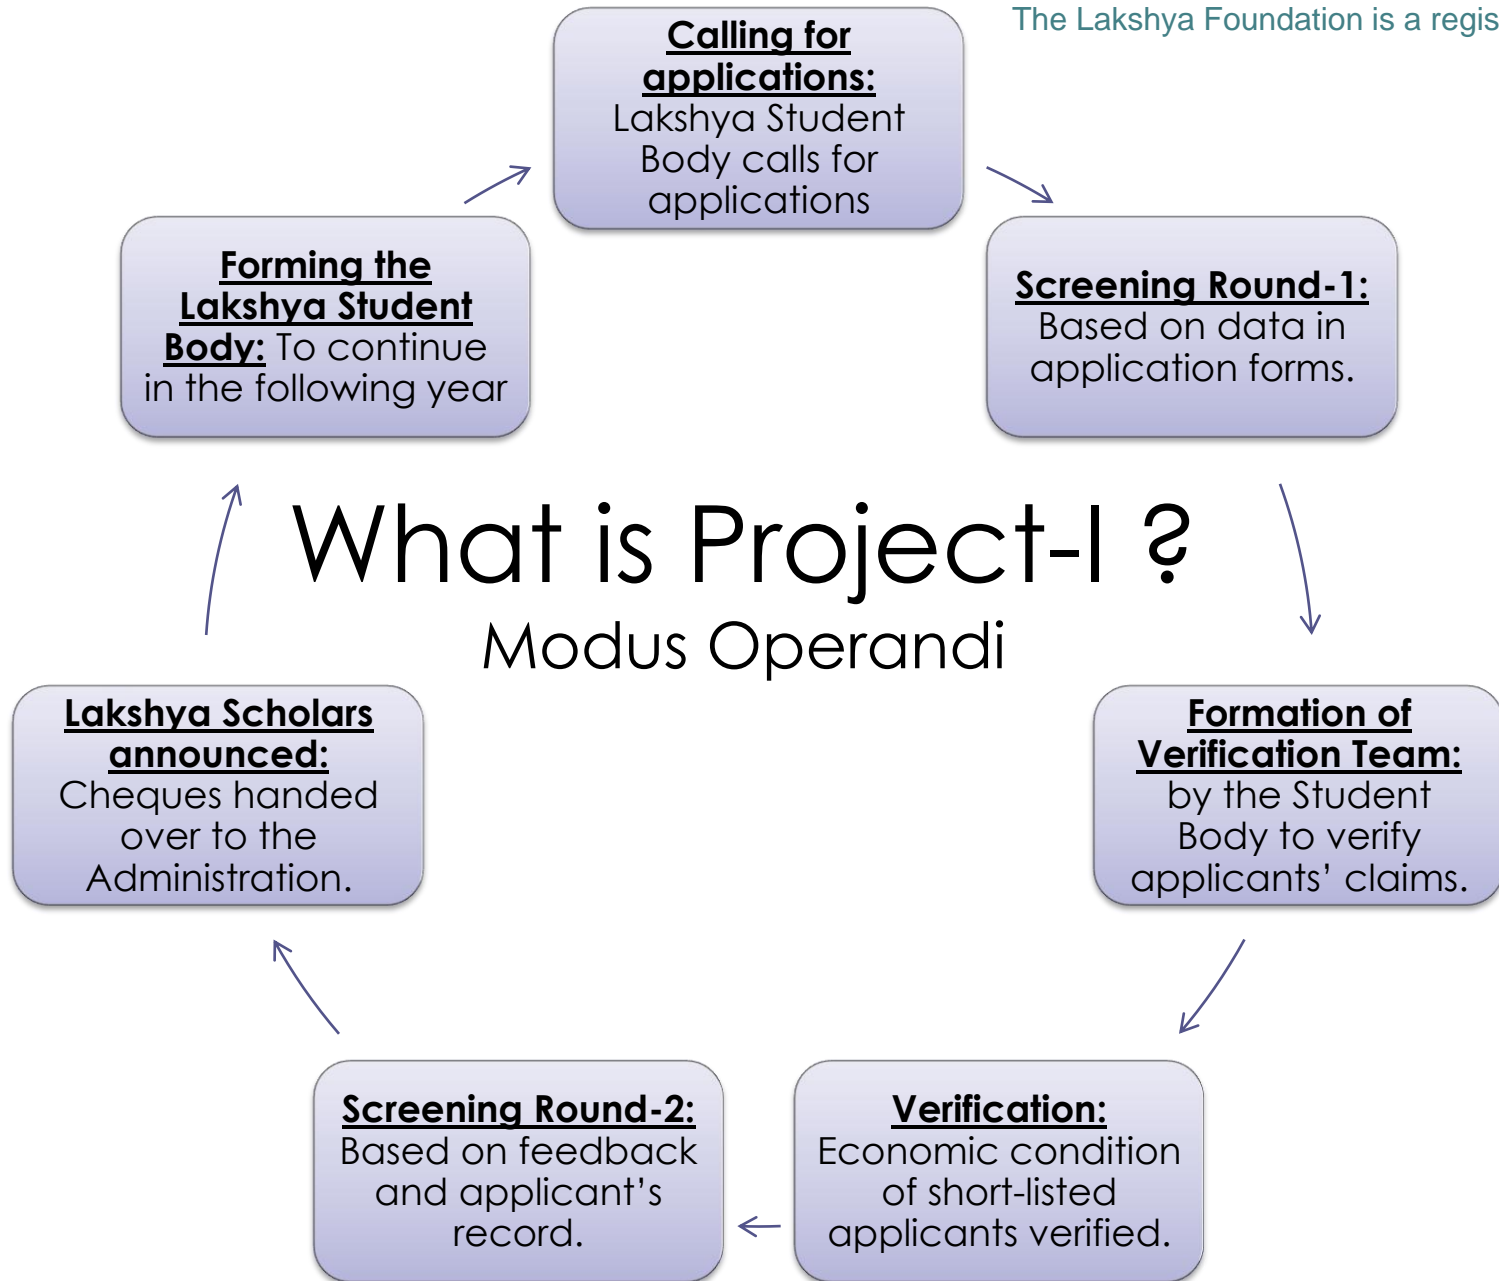

Introduction

Supporting students in need of financial help.

The 'Lakshya Scholars' deserve it based on their hard work

In the past, to get into NITW

In the present, to be academically sound in NITW.

What after funding the Lakshya Scholar?

Track continued academic achievements:

Continuous improvement in regular curriculum.

Participate in technical symposiums.

Track all-round development:

Mould character.

Have fun, participate in areas of interest, be it music, dance, the arts etc..

Support a Lakshya Scholar in turn:

The success of the project, the essence of it lies here!

What do you want to achieve from Project-1?

NITW seeks the smartest and the willing, irrespective of one's financial background.

Getting an NITW admission implies unlimited opportunities, money no bar. Opportunity to Dream Big!

What after Project-1 ?

Review: Streamline the process post project-completion.

Increase: Look to increase number of Lakshya Scholars in the coming years.

Cover NITW: Seek to expand domain to fund other activities, in academics-proper, and otherwise.

Post NITW: Undertake projects outside NITW in fields of basic, primary and secondary education.
