Other Information		
	How have you supported your education till now and why are you applying for the Lakshya scholarship?	Example1: Studied in a govt school till 10th, hence received free education. For my Intermediate/12th, I received scholarship from district collector. Up until now my father was funding my engineering but he expired a few months ago.Hence I would like Lakshya to fund my education for the remainder of my studies at NITW
	How will you manage if you are not supported by Lakshya	Example1: I will apply for an education loan. Example2: My uncle will help fund my education Example3: We will sell land/assets to raise money.
